Sweetheart Banquets

Our heart's desire at Life Counseling Ministries is to see marriages blossom and flourish. Sometimes the stress and pressure of life can cause us to grow apart as a couple.

Our Sweetheart Banquets provide an opportunity for a couple to spend time together, offering encouragement, laughter, and input for their relationship with each other.

Our hope is for marriages to be strengthened and blessed so couples can effectively reflect the image of Christ to each other, their families, churches, and communities. We offer Sweetheart Banquets the week of Valentine's Day.

Finance Seminar

As Christians we live in a world that is not our home. We are citizens of another country and another kingdom. At Life Counseling Ministries, our goal is to provide Biblical perspective on making, possessing, and managing our finances as stewards of the talents and gifts that God has blessed us with. Life Counseling Ministries provides a one-day finance seminar every year.

Grief Seminar

In our journey through life, we all encounter losses and painful events. We live in a broken, fallen world. The questions are, *How do we embrace the pain? How do we walk through the valleys well?* The journey of grief is intensely personal and yet it's in these moments when we need others the most. (2 Cor. 1: 4-7)

This is a seminar to provide a time of coming together as a group of people who understand that life has seasons of sadness and grief.

We welcome you to bring yourself and your grief...to hear input, testimonies, share stories, meditate quietly and be encouraged with scripture and music.

Pastor's Seminar

Realizing the weight and responsibility that pastors carry in leading and caring for their congregations, our desire is to bless, encourage, and strengthen them to be able to carry out the call that God has placed on their lives.

One weekend per year, Life Counseling Ministries gives pastors the opportunity to come apart for a time of encouragement and fellowship with other pastors and to receive meaningful input on issues that our churches are facing in today's world and culture.
