# Rocky Mountain Wilderness Men's Retreat

**We invite you** to step away from the demands of your life and spend time with a small group of men in the Rockies seeking and sharing what it means to live richly **as men in His image.**

The Rocky Mountain Wilderness Retreat is an exhilarating experience in the high Rockies for five days with men sharing their hearts, reflecting together on what it means to be **men of purpose and impact.**

## Highlights of the week will include:

- Getting acquainted/forming community
- Exploring issues of being a real man in the world in which we're each called to live
- Looking at our story as it unfolds in God's larger story
- Cold bathing and hearty, manly meals
- Sharing stories, caring, and praying with each other
- Activities (daily, rugged riding trips to mountain peaks)
- Fireside fellowship
- Creating your own time line

Bring your warm sleeping bags and riding apparel as we come face to face with some of God's beautiful, rugged outdoors.

Cost for the week (five days) includes accommodations (tent space), food, and pick-up from Spokane Airport.

We hope you will experience the **Father's presence** and His embrace in new ways as you drink deeply of His goodness through small group activities, breathtaking scenery, times of solitude, and personal reflection.

**Experience the Father's presence and embrace.**

Reflect on what it means to be a **GODLY MAN** of purpose & impact.
